

STAND WITH CLSACC

Dear Friends of CLSACC,
At this time of uncertainty,
we ask that you stand with
us in supporting our mission,
our clients, and our work to
promote justice and equality for all.
These past few weeks have highlighted
many divisions in our country. To move beyond
these divisions and towards unity among us all,
we are asking you to support CLSACC by
taking action today.

How can you stand with our clients?

SHARE the powerful stories of our clients with others in your community, your family, friends, neighbors and colleagues. Share this message with your own networks by forwarding this message or by liking CLSACC's Facebook page and sharing our work with your friends.

ADVOCATE for justice and healing at the local, national and international level. Make sure your voices are heard that you support equality, access, and justice for all.

SUPPORT our work by donating to CLSACC's Annual Fund. More than at any other time, CLSACC needs your financial support. We do not know how our many funding streams might be impacted in the future so please donate generously today.

While we do not know what the future will bring, CLSACC's staff and volunteers affirm our commitment to serving the most vulnerable members of our community and to fighting poverty, discrimination, prejudice, and torture. The uncertainty of these times reminds us of the uncertainty and challenges that our clients face on a daily basis and the resilience and perseverance they demonstrate as they rebuild their lives. Please join us in honoring their strength, resolve, and dignity.

On behalf of CLSACC, thank you for taking action today.

Mojdeh Rohani, Executive Director and John Froio, Deputy Director
